# Our book of the fortnight is: Why we go to the Dentist

This book helps children understand why going to the dentist is important. It helps children to explore the need to keep our teeth and mouths clean. It generates conversations around healthy eating habits and brushing our teeth twice a day for two minutes.

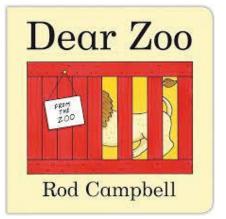

#### How to get the most out of reading to young children:

- Sit close together. You could encourage your child to hold the book themselves and turn the pages, too.
- Take a look at the pictures. You don't just have to read the words on the page. What might they tell us about the story before we read the words?
- Ask questions and talk about the book. What do they think will happen next? Why did a character act in a certain way? How are they feeling?
- Have fun! There's no right or wrong way to share a story as long as you and your child are having fun. Don't be afraid to act out situations or use funny voices... your little ones will love it!

#### How to get the most out of reading to young children:
