## Our Rights of the fortnight is:

*The children have shown an interest in looking at what makes us different and what makes us similar. This fortnight we will be exploring how everyone is free to express themselves without hurting others' feelings.*

### Article 13: (Freedom of expression)

Every child must be free to express their thoughts and opinions and to access all kinds of information, as long as it is within the law.

### Article 15.

You have the right to choose your own friends and join or set up groups, as long as it isn't harmful to others.

In relation to our 'Picture News' sessions, the children will be discussing what makes a good friend. In the news, a Taylor Swift fan made a friendship bracelet for her great grandmother. Upon seeing how happy this made her she decided to make hundreds and give them to people in care homes.

We will be discussing: what makes a good friend?  
You could discuss this at home too!
