

Big Nursery – WC 13.05.24 & 20.05.24

**Dear Parents and Carers,**

**Our rhyme of the fortnight is:**

I'm a Little Ladybug  
(to the tune of I'm a Little Teapot)

I'm a little ladybug,  
Red and black,  
With the tiniest spots  
All over my back.  
I fly all round the garden,  
And land upon a rose,  
Then the grass, and  
Then your nose!

**What to do at home together:**

- Act out the nursery rhyme together using actions or insects.
- Play about with the words You could say Then the bed and then your head or nose, toes, shoulder or folder.
- Watch the story below and sing the rhyme together again after.

Little Nursery – WC 13.05.24 & 20.05.24

**Dear Parents and Carers,**

**Our rhyme of the fortnight is:**

We're Going on a Bear Hunt

We're going on bear hunt  
We're going to catch a big one  
What a beautiful day  
We're not scared  
Uh No! Long wavy grass  
We can't go over it  
We can't go under it  
Oh No!  
We've got to go through it  
Swishy, swashy, swishy, swashy, swishy, swashy

**What to do at home together:**

- Act out the nursery rhyme together in the house or garden.
- Make up your own obstacles.  
For example:  
A steep high mountain (stairs)  
A deep wide river ( blue material on floor)  
Dry crunch leaves (newspaper)
- Watch the video below and sing the rhyme together

## Our Makaton signs of the fortnight are:

Bear

Spider

(Always remember to say the word as your sign)

## Our Right of the fortnight is:

*The children have shown an interest in healthy choices. This fortnight we will be exploring how to keep our environment clean and safe for everyone to live in.*

**Article 24. Health, water, food, environment**  
Children have the right to the best health care possible, clean water to drink, healthy food and a clean and safe environment to live in. All adults and children should have information about how to stay safe and healthy.

*This fortnight we will also be concentrating on oral health and the importance of oral hygiene. We want our children to understand the importance in oral health care*
